

9

Fissare il supporto orientandolo nella posizione ottimale (Il supporto è utilizzabile anche senza astina orientabile, agganciando la custodia direttamente al supporto della prima ghiera).

Fasten the holder while pointing it in the best position. (The holder can be used without the adjustable shaft by snapping the case directly onto the first collar on the holder).

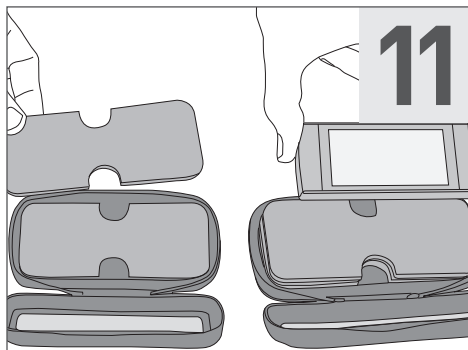

10

Utilizzare l'apposita feritoia per il passaggio dei cavi di alimentazione (se necessari).

Thread power cables (if necessary) through the slot provided.

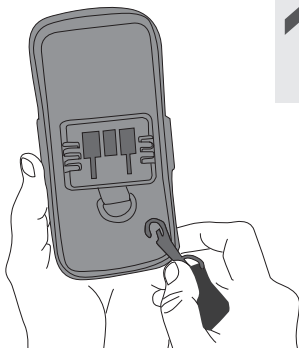

11

Inserire gli appositi spessori fino a che il navigatore opportunamente spessorato tocchi la superficie trasparente della custodia.

Insert the shims provided with the unit until the suitably shimmed navigator touches the clear surface of the case.

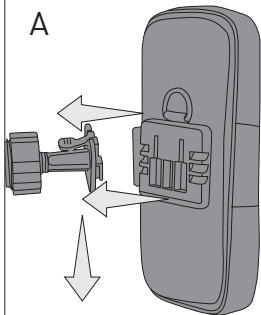

12

Agganciare la fascia di sicurezza anticaduta alla custodia e fissare il lato terminale in velcro al tubolare del manubrio.

Hook the drop-proof safety band to the case and fasten the Velcro closure on other end of the strap to the handlebar.

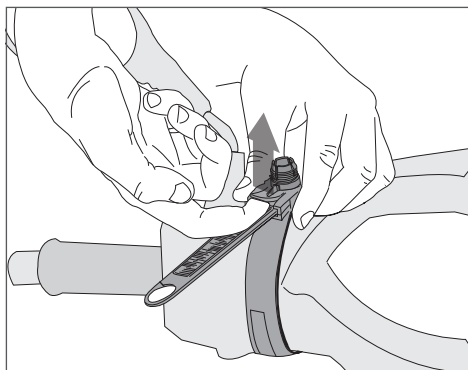

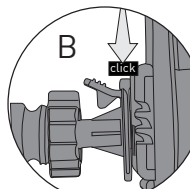

A

Agganciare infine la custodia alla staffa.

Finally, latch the case onto the bracket.

13

Per rimuovere la cinghia di fissaggio sollevare la linguetta di sgancio serrando con due dita la base del supporto.

To remove the retainer belt, lift the release tab while holding the base of the holder with two fingers

1

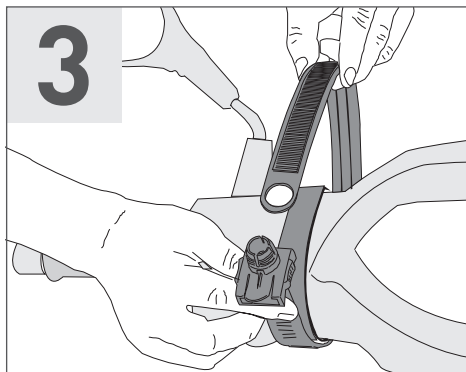

Posizionare la stringa in gomma sul manubrio.

Place the rubber strap on the handlebar.

2

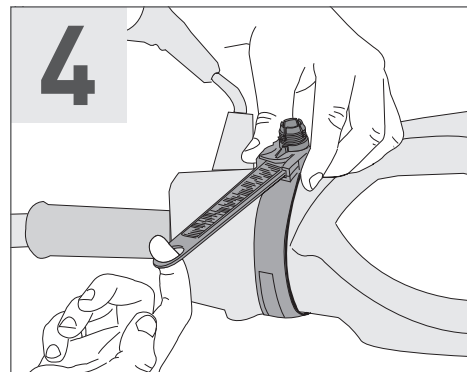

Tagliare la stringa a misura del manubrio.

Cut the strap to fit the handlebar.

3

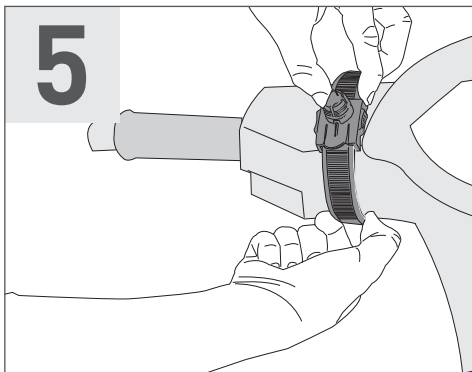

Far aderire la cinghia di fissaggio sulla stringa in gomma ed inserire la linguetta nell'apposita feritoia di scorrimento.

Stick the retainer belt onto the rubber strap and insert the tab into the slot provided.

4

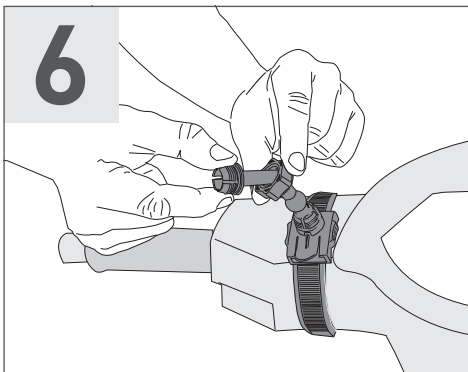

Stringere la base del supporto sulla posizione ottimale e serrare con forza la cinghia inserendo l'indice nell'occhiello di trazione.

Grasp the base of the holder at the best position and forcefully tighten the belt by inserting your index finger into the hole and pulling.

5

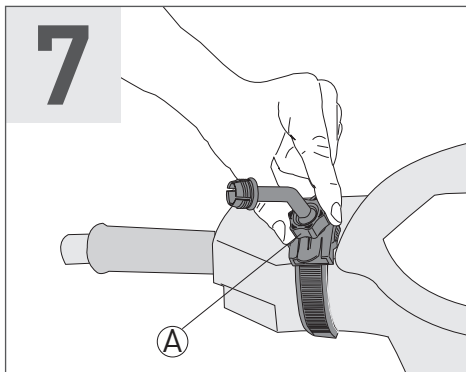

Inserire la parte eccedente della cinghia nell'apposito passante.

Insert the free part of the belt into the loop provided.

6

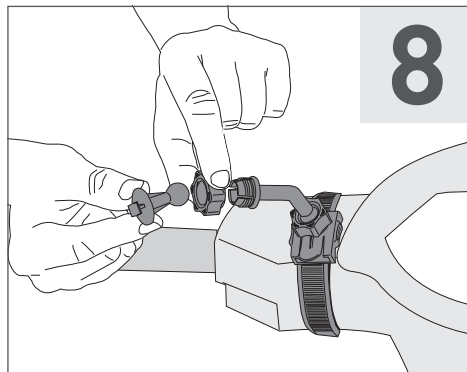

Inserire la sfera dello snodo nella base del supporto.

Insert the ball on the joint into the base of the holder.

7

Dopo il posizionamento dello snodo serrare saldamente la ghiera [A].

After the joint is positioned, firmly tighten the collar [A].

8

Inserire il secondo snodo di connessione alla custodia.

Install the second joint, which connects to the case.
